- Evangadi Networks
Silver Spring, MD
- Certificate in Virtual Assisting Program
-African Leadership Group (ALX)
- Certificate in CNC lathe and milling machine operation and tool programming
- Kombolcha Satellite Campus

Mesafint Minwagaw

A passionate Web developer

 Kombolcha, Ethiopia

Highly motivated and detail-oriented Full Stack Web Developer with a strong passion for creating dynamic and responsive web applications. With proficiency in JavaScript, HTML, CSS, Node.js, and React, I excel in both front-end and back-end development. I have hands-on experience building RESTful APIs and working with databases such as MySQL. My quick learning skills, problem-solving skills, attention to detail, and ability to collaborate make me a valuable asset in team environments.

Skills

Technical Skills

JavaScript ES6 | jQuery | HTML5 | CSS3 | React | Redux | Bootstrap | REST API | Node | NPM | Express | JSX | JSON | WordPress | MySQL | Mango DB | jQuery | Git | GitHub | Adobe Photoshop | VS Code | Shopify | Deployment.

SOFT SKILLS

- Strong problem-solving and analytical skills
- Excellent teamwork and collaboration abilities
- Effective communication and interpersonal skills
- Detail-oriented and highly organized
- Ability to work in a fast-paced and deadline-driven environment
- Quick learner with the ability to rapidly grasp new concepts and technologies.
- Responsible to complete any given project on time.

Additional Skills

- Proficient in SolidWorks, AutoCAD, and MasterCam for designing and modeling mechanical components and assemblies.
- Experienced in operating and programming CNC lathe and mill machines, utilizing FastCam for efficient cutting processes.
- Familiar with Google Workspace (formerly G Suite) for collaborative document management and productivity.

Personal Projects

- Build My Portfolio Website
